

INFORMATION

of the competition of 7th South-Moravian league, the Ranking event with 1.00 coefficient and a public competition

Brno - Komín, Pastviny basic school, Saturday, 4th June 2011

- Event organiser:** South-Moravian region of ČSOS
- Organising subject:** Lokomotiva–Ingstav Brno – orienteering division
- Kind of the race:** one-time day race of individuals on a short distance track with a fixed order of control points and an interval start, supposed times of winners according to the racing set of rules of JMO, 10.5 and 12.5 articles
- Centre:** Brno - Komín, Pastviny basic school - the entrance through the back door over the garden, the route from the trolleybus stop is marked with ribbons
- Registration:** in the centre of the competition 9:00 - 10:00 a.m., **post-registrations and changes up to 9:45 only.**
- Control point descriptions:** printed on the map and their self-service collection available in the centre of the competition.
- Start 00:** at 10:30 a.m., at intervals
- Distances:** the centre of the competition - start: 670 m, vertical distance of 30 m! , the route marked with blue-white ribbons
the centre of the competition - finish: 420 m, the route marked up to the way to the start with green-white ribbons
- Punching system:** Sportident electronic system - one SI chip is forbidden to be used twice in the competition. It is possible to use SI (Sportident) chips of all types. In case of troubles with some of controls, mark your passing through the control into the prepared check-boxes on the map. In case of control loss, there are some slips of paper with a code placed nearby the control, which the competitor brings to the finish in this case!
In case of a lent chip loss, the organizer will ask for a 800CZK compensation.
- Chip reading:** chip reading will be made in the centre, in the place of the registration. Every competitor (even though he/she didn't finish the race) is obliged to read the SI chip data into the computer. The lent chips are given back just after reading chips into the computer.
- Categories:** D,H 10, 12, 14, 16, 18, 21C, 21D, 35, 45, 55, H65
HDR (parents with children), P (newcomers).
In D,H 10 categories, no guide with the competitor is permitted. HDR and P categories start in a special corridor by punching the start box anytime up to 70 start time.
H65 category is a public race, it is not included into the South-Moravian league.
- Post-registrations:** post-registrations are possible for a doubled deposit of 160CZK (schoolchildren of 80CZK) and up to the number of free places only.
If there is no free place in the adequate category, it is possible to register in any other free category for starting fee of 120CZK.

It is possible to register in P and HDR categories even on the spot for original starting charge up to the number of free places.

The price of lending the chip – 10CZK.

- Terrain:** mainly a deciduous forest with steep, with a bad running through mainly and a medium density of roads. Organizers recommend long trousers and long sleeves.
- Map:** Kozí hora, 1:10000 scale, E=5m, state April 2011, A4 format, ISOM 2000 map key, laser print. Charted by Zdeněk Lenhart. The map is waterproof adjusted. There is a special map symbol used on the map – a bench – a short black line.
- Refreshment:** water with sirup after entering finish.
- Changing room:** changing rooms arranged in the centre.
- Washing:** arranged in the centre.
- WC:** in the centre only.
- Map distribution:** after the start of the last competitor at 11:45 a.m.
- Prize giving ceremony:** first three children in the children categories are declared as soon as possible. HDR categorie is not declared, every competitor is given a tiny prize while reading the chip.
- Protests:** protests against the correct competition course supported with a deposit of 200CZK are accepted by the main referee. Possible protests against the official results could be sent after the competition finish to the address: Ondřej Toman, Uzbecká 26, 625 00 Brno.
- Jury:** in case of a protest, the place will be offered to Libor Adámek (ABM), Jaroslav Jalový (RBK) and Radim Kheil (PBM).
- Information:** on the division web site: www.zrukol.cz/lbm/Zavod/index.htm
Ondřej Toman, ondrej.toman@seznam.cz, tel. 604 711 075
- Directive:** the competition is held in accordance with current rules for orienteering competitions, Set of rules of South-Moravian region of ČSOS in 2011 and Operating regulations of JmO competitions in 2011.
- Warning:** there is only a limited parking possibility near the school area. You prefer the public transport – trolleybus No.30 from Královo Pole-railway station - or trolleybus No. 36 from Česká (terminal station) to Podveská stop.
- Officials:**
competition director: Jana Tomanová
main referee: Ondřej Toman
course setter: Iva Janská

Organizers give thanks to Lesy města Brna and Basic school Brno - Pastviny for allowing the competition organization and for providing the background for the competition centre.
